

Case Management Fees

The fee is:

- **Determined based on contractually agreed upon components**
- **Paid for all panel members (no cap on amount)**
- **Adjusted quarterly**
- **Reflected on monthly enrollment summary report**
- **Paid on the 1st checkwrite of each month as a “rolled up” amount**

The fee is designed to:

- **Support the concept of a medical home**
- **Recognize additional work being done by the PMP**
- **Encourage participation by physicians**
- **Built based upon specific interventions available to patient by each physician**

Components Case Management Fee

EPDST (45¢)

- PMP performs own screenings

Vaccines for Children (VFC) (10¢)

- PMP is enrolled with the Vaccines for Children Program

24/7 Coverage (85¢)

- Voice to voice assistance (not the emergency room) - (85¢)

Medical Home Project (10¢)

- Completion of training module with CMEs awarded. This CD training program is designed to help physician understand the concept of a medical home and how to create one in their practice. Practical, interactive examples will be used to help present a realistic approach to everyday problems.

Hospital Admitting Privileges (30¢)

- PMP directly admits or has an arrangement with a hospitalist group. A hospitalist group is designed to admit and treat patients in an inpatient setting thus creating a cost efficient approach to care.

Electronic Notices (5¢)

- Agreement to receive notifications from EDS and the Agency in either fax or e-mail format to reduce printing and mailing costs.

Electronic Education Materials (15¢)

- Agreement to receive certain educational materials (e.g. Patients Rights and Duties) electronically and print as necessary for patient education. This will reduce the Agency's costs for printing and mailing.

In-Home Monitoring (10¢)

- Agreement to work with the University of South Alabama in placing in-home monitoring equipment to identified patients. Patients will benefit from added services and providers will have resources available to manage chronic conditions and avert emergent situations.

InfoSolutions (50¢)

- Agreement to utilize BC/BS' InfoSolutions product to manage pharmacy costs.
